

The 2020 Forever Orange Scholarship

Scholarship Overview

The **2020 Forever Orange Scholarship** provides scholarship for half of the tuition for students who enroll full-time in a graduate degree or certificate program at Syracuse University. The scholarship is automatically available to all Class of 2020 graduating seniors who are eligible for admission—no separate scholarship application is needed. Graduating seniors who have already been admitted to a qualifying graduate program are also eligible. The scholarship cannot be combined with other program-granted graduate funding awards, such as assistantships or fellowships, nor can it be deferred to future terms.

Guidance on Selecting a Graduate Program

There are wide variety of programs from which to choose—degrees that directly continue your undergraduate studies and those adding another dimension to your qualifications. Our graduate staff and faculty are available to address your questions and guide you through the application process. We encourage you to consult with the career advising staff in your college for an added layer of guidance and assistance.

Qualifying Graduate Programs

This comprehensive list of 2020 Forever Orange Scholarship programs includes links to program overviews, allowing you to become familiar with the nature of the program, the curriculum, and admissions requirements. Application deadlines have been extended to ensure that you are able to begin your graduate studies at the start of the 2020-21 academic year. Application fees for graduate programs are waived for all Syracuse University students. Applying to a graduate program can be done entirely online—[apply now](#).

Eligibility

As a member of the Class of 2020, your eligibility for the 2020 Forever Orange Scholarship is as follows:

- If you graduated in December of 2019 or have submitted an Intent to Graduate for May, June, or August 2020,
- If admitted to a qualifying graduate program (see list of qualifying programs below) and beginning the program at the start of the 2020-21 academic year. No deferring to a future semester will be allowed,
- And, if full-time, contiguous enrollment status is maintained throughout the duration of the program.

For a quick and direct connection to more information, listed are contacts for each school and college. If you have general questions regarding the Scholarship, please contact [Amy Sloane-Garris](#), Graduate School.

School of Architecture

Architecture, MArch

Application Deadline: June 1, 2020
